To whom it may concern:

Please find enclosed a petition for revival of our patent application 09/837,740. I regret that we missed responding to a notice to place our abstract on a separate piece of paper in our application. This was an unintentional oversight on my part, the result of too much work in a company with only two employees. The \$640.00 fee for reinstatement of our application will strongly induce me to remember such things in the future. We have not yet received notification of abandonment of our application, so I hope that filing for reinstatement at this time will not confuse the matter. Also enclosed is the abstract for our application on a separate piece of paper. I have done this in two ways, one with the names of the inventors and the title and one without that information. Also enclosed is a copy of the notice that we received in June regarding our error.

If you have any questions, please don't hesitate to contact me at (508)291-4375.

Thank you

Sincerely,

R. Scott Morris
